**Intermediate Care Facilities for

Reimbursement Methodology
(LAC 50:VII.32917)**

The Department of Health, Bureau of Health Services Financing proposes to amend LAC 50:VII.32917 in the Medical Assistance Program as authorized by R.S. 36:254 and pursuant to Title XIX of the Social Security Act. This proposed Rule is promulgated in accordance with the provisions of the Administrative Procedure Act, R.S. 49:950 et seq.

In May 2025, the Department of Health, Bureau of Health Services Financing promulgated a Rule authorizing a one-time lump sum payment to privately owned or operated intermediate care facilities for individuals with intellectual disabilities (ICFs/IID) that billed Medicaid between August 1, 2024, and October 31, 2024. The department now proposes to amend the provisions governing reimbursement methodology for ICFs/IID to remove the deadline for sending out payments and remove language that limited which facilities were eligible to those active and enrolled on the date of payment. This will provide the department with greater flexibility in distributing payments and will allow facilities to qualify based on the original eligibility date of July 1, 2024.

The rule text below has been drafted utilizing plain language principles to ensure clarity and accessibility for all users. It has also been reviewed and tested for compliance with web accessibility standards.
